Mission Statement

The CSNA founded in 2007 is a unique non-profit, non-partisan organization which represents the Sicilian associations and federations of Canada, United States and Central America. The purpose of the CSNA is to enrich and strengthen cultural ties between North America, Italy and the Region of Sicily; to foster goodwill between them, to explore and preserve Italian and Sicilian traditions, values, culture and language through educational, economic, social and cultural programs.

Since its recent founding the CSNA has collaborated with government institutions, Italian Embassies, the Consular network, national and local Italian associations, Comities, Italian Regional Associations, such as the most successful 1st World Meeting of Sicilian Businessmen held at Siracusa (Sicily) May 21-24, 2009. Furthermore, the CSNA has and continues to serve the community performing charitable work, with public and private entities, government agencies and world relief organizations.

Fondata nel 2007, la CSNA è un'organismo apartitico e senza scopo di lucro, che rappresenta le associazioni e le federazioni dei Siciliani del Canada, degli Stati Uniti d'America e degli Stati del Centro America.

L'obiettivo della CSNA è di arricchire e rendere più solidi i legami culturali fra gli Stati del Nord e Centro America, l'Italia e la Sicilia, promuovendo attività che aiutino ad esplorare e conservare tradizioni, valori e lingua siciliani ed italiani attraverso programmi educativi, economici, sociali e culturali.

Sin dalla sua recente fondazione, la CSNA ha cooperato con istituzioni governative, Ambasciate Italiane, reti consolari, associazioni italiane a livello locale e nazionale, Comites, agenzie regionali italiane, come nel caso del 1mo Incontro Mondiale degli Imprenditori Siciliani tenutosi a Siracusa, in Sicilia, con gran successo, dal 21 al 24 maggio 2009.

La CSNA inoltre ha servito e continua a servire la comunità promuovendo borse di studio e raccolte fondi insieme ad istituzioni private, agenzie governative ed organizzazioni umanitarie internazionali.
